ANYCARD!

File Edit Go To Tools Window Help

Main Screen: Current Credit Card Records

To do a simple credit card authorization, the following three blanks, below, are the only required fields:

Card Number <- Validate Exp Date Amount

The following is optional. If, however, you plan to do an address verification (AVS), you'll want to fill-in Address 1 & Zip Code blanks:

Name
 Address 1 View AVS Numbers
 Address 2
 City/State/Zip
 Country

Phone Email
 Your Invoice # or Reference
 Other Info

NOTES Use this space for comments or any other information that you would like to include about this credit card transaction:

Start Authorization Process

⏪ ⏩

Once you obtain the authorization information from the processing center, enter the appropriate codes below:

Authorization / Reference: /

Address Verification (AVS):

Date: #:

Tracking Digital Criminals

Any criminal activity involving the use of a digital device to facilitate a crime either over the internet/ network or as a standalone.

Crimes such as:

- Unauthorized access to data
- Credit/Debit card fraud
- Illegal transfer of funds from one account to another
- Stealing, changing or erasing data
